ASSURANCES STATEMENTS

- 1) Professionally acceptable standards governing the care, treatment, and use of animals, including appropriate use of anesthesia, analgesics, and sedating drugs, prior to, during, and following actual re-  
breeding, testing, surgery, or experiments were followed by this research facility.
- 2) Each principal investigator has considered alternatives to painful procedures.
- 3) This facility is subject to the standards and regulations under the Act, and it has retained that exemption to the standards and regulations by specifying and certifying by the principal investigator and an Institutional Animal Care and Use Committee (IACUC). A summary of all such exemptions is contained in this annual report. In addition to identifying the IACUC-approved exemptions, this summary includes  
any modification of the exemptions, as well as the species and number of animals affected.
- 4) The managing veterinarian for this research facility has appropriate authority to ensure the provision of adequate veterinary care and to oversee the integrity of other aspects of animal care and use.
